Dear Alumni,

It gives me great pleasure on behalf of Nuffield Zimbabwe to finally be able to give you details on the 2027 Alumni Tour to Zimbabwe which will officially start with your arrival in Victoria Falls on **25th February 2027** and the final function will be the Agri Summit in Harare on Saturday **6th March 2027**.

Victoria Falls is one of the 7 wonders of the world and a UNESCO World Heritage Site.

Hwange is one of Zimbabwe's Premia National Parks and you will have the opportunities to do both guided drive and walking Safaris as well as explore the local community. I have budgeted for you being able to do an afternoon Safari on the Saturday and then both Early morning and afternoon safari on the Sunday.

1st March 2027 the group will split up into 5 tour groups who will depart to different starting points around Zimbabwe to begin a tour which will bring together both agricultural and cultural visits. The starting points for the 5 tours are: Bulawayo, and Harare. (The flights to these starting points are included). Each group will cover a different part of Zimbabwe, and all groups will end up back in Harare on **Friday 5th March 2027** and will be accommodated at Cresta Lodge for Friday **5th & Saturday 6th March 2027.**

The Agri Summit will be held in Harare on Saturday 6th March, where we intend to create a day of engagement, networking and discussions around World Agricultural issues through bringing together International Nuffield Scholars and local farmers and policy makers.

Those who do not wish to participate in the Agri Sumit will have the opportunity to do some retail therapy in the art and craft markets, explore the city or just a time to relax. We will have transport and guides available.

The following are included in the tour cost:
